

Buy Surplus Inventory and Equipment... Simply.

Mazree's Smart Auctions give you the opportunity to purchase surplus or retired equipment from validated, reputable organizations in a transparent, fair-market purchasing process that levels the playing field for you, even if you don't have a relationship with the guys in the back room.

SMART AUCTIONS

Capture Huge Savings

Obtain high-quality used equipment and surplus items for your target price or even lower while enjoying significantly lower fees than many other auction sites. With Mazree Smart Auctions more money stays in your pocket.

Automate Your Bids

Use the Automatic Bid feature to ensure that you win the auction for the lowest dollar amount possible. After entering your maximum bid, the system will automatically increase your bid to just the amount needed to win the auction, meaning that you may end up winning auctions for far less than the maximum amount you were willing to pay, all without having to lift a finger.

Access More Inventory

Browse through extensive collections of surplus items and equipment for sale from organizations and institutions. Mazree Smart Auctions levels the playing field so you get full transparency to what inventory is available and can bid on the items without having to know someone on the inside.

Finalize Auctions Quickly and Easily

Complete your transactions simply and smoothly using a wide variety of payment options. Once your payment is received you'll be free to pickup your new items from the seller at your convenience. With Mazree, sealing the deal is a breeze.
